

Tucano House – Directions

Detailed directions

- **From the Intercity Bus Station (Rodoviaria):**
Walk outside the bus station and go to the right side. Keep walking until you see the local Bus Terminal (TICEN). Go to the Platform B and catch the 320 OR 330 LAGOA DA CONCEICAO To LAGOA'S BUS TERMINAL
- **From the Lagoa Terminal:**
From Lagoa Terminal get the bus 360 - BARRA DA LAGOA - you don't have to pay again, you just change buses. It's going to be a short ride on this bus (3-5 mins), so pay attention. When you see a big Texaco Petrol Station on your left side, you have to get off the bus at the next stop. Either ask to get off at PRACINHA DA LAGOA or pull on the cord above you to request a stop. The stop is just before you cross a little bridge.
If you miss the stop, don't panic. The next stop is just across the bridge and you can walk back!!!!
- **From the Pracinha da Lagoa (Little Square):**
Walk across the small square that has a children's playground in it. Walk past a bakery (Padaria da Lagoa) and a "cheese house" (Queijaria) on your right side and turn right . Walk until the end of this street and turn left into our street, Rua das Araras. Walk until you reach the Tucano House Backpackers (nº 229) on your left.
